

Benton Dene School Newsletter 01.03.2024

Notices

There is now a button at the top of the Parents and Carers area on the school website called Online safety information. We have added many different guides relating to E-Safety and setting up parental controls on your children's devices. We will continue to add more in future. Please don't hesitate to contact the Home School Team if you need support in helping your child stay safe online.

Blue 5 exploring different fruits as part of their sensory work.

Blue 6 and 7's trip to the Centre For Life

North Tyneside
Carers' Centre

YOUNG CARERS ACTION DAY

Parks Sports Centre, North Shields, NE29 6TL

Wednesday 13th March 2024

6pm - 9pm

Come along to meet us and try something new.....

North Tyneside Carers' Centre have invited a range of community services to showcase their activities and clubs to you!

Free event, snacks and activities provided

Try new hobbies such as cooking, sports and leisure, and wellbeing services...

All young carers under 14 years old must attend with a Parent/Carer.

**Fair Futures
for Young
Carers**

Class News

Yellow 3: Have enjoyed listening to a new story in our English sessions. We have been listening to Jack and The Beanstalk. We have enjoyed using small world characters to act out the story and loved making our own beanstalks out of cheerios and playdough.

Yellow 4: We are using Numicon in Maths to help us recognise the number plates and help us answer our number bond problems.

Green 5: We absolutely loved our trip to Blyth beach park! We enjoyed having a walk around the area, playing in the park and finished the day with an ice cream!

Green 6: The children have enjoyed listening to their new T4W book, 'Handa's Hen'. The children have been counting the animals that Handa and her friend Akeyo saw whilst looking for grandma's hen.

Green 7: In Art this week we have been learning about different textures and materials. We loved feeling the different materials. The bubble wrap was our favourite!

Green 8: This week we started to learn about lines in Art. We loved making lines around the classroom with paints and tapes.

Red 1: We have enjoyed learning all about our new story 'Anancy and Mr Dry Bone.'

Red 2: We have enjoyed our introduction to our new Talk 4 Writing book Handa's Surprise and welcoming our new friend into our class.

Red 3: We have been setting up a new calm zone within our class and learning more about our emotions.

Red 4: We have started learning about how sound is created in Science

Red 9: We have enjoyed starting rehearsals for our performance in Music. We have some lovely ideas and are starting to get very excited! In Maths we have been learning to measure with a ruler in centimetres.

Blue 5: We have enjoyed exploring different fruits in our class tuff tray this week. We have use the juice press, squeezed a lot of oranges and created our own fresh fruit drinks!

Blue 6: Had an amazing trip to the Centre for Life, exploring the world of science. Blue 6 staff were so proud of each child, their behaviour was outstanding and a credit to Benton Dene School. A member of the public commented on the good manners and how well behaved our children are.

Blue 7: Had an amazing day at the Centre for Life in Newcastle. We travelled by metro and learned a lot about science and technology through hands on activities and shows.

Blue 8: In English we have been using our imagination to create our own planet and describe it.

Headteachers Award
